

โครงการอบรมหลักสูตรระยะสั้น AITC 2026 หลักสูตร Advancing Sustainable Development through the Transformation from Sufficiency Economy to a Green Circular Economy

On Saturday, 7 June 2026, participants in the international training program jointly organized by Maejo University and the Thailand International Cooperation Agency (TICA) took part in a study visit to several significant cultural and community learning sites in Chiang Mai. The activity was designed to enhance participants' understanding of local lifestyles, community-based economies, and the preservation of cultural and natural heritage.

“Agriculture Sustainability and Culture Exchange Program” (รุ่นที่ 9)
